

FOR IMMEDIATE RELEASE:

I.T. XCHANGE SECURES GSA CONTRACT

Raleigh, NC, February 13, 2004 – I.T. Xchange LLC, a leading distributor of secondary market personal computer products announced today that they have been approved under the General Services Administration (GSA) contract – GS-35F-0166P.

The GSA secures products, services and technology that federal agencies require. The GSA supports over one million federal workers located in 8,000 government-owned and leased buildings in 2,000 US communities and overseas.

According to I.T. Xchange's Regional Sales Manager, Charles Richards, "GSA's established reputation in the federal technology marketplace makes this an excellent fit for I.T. Xchange. The strategic location of our US facilities and dedicated GSA sales force will serve to provide innovative technology solutions to government agencies. I.T. Xchange is positioned to optimize the resources of each federal agency while lowering their Total Cost Of Ownership (TCO)."

Richards adds: "I.T. Xchange is eager to introduce its Platform Maintenance Program to government agencies and to assist in managing extended deployments, or in the maintenance of existing I.T. architecture for longer periods of time."

As a leading worldwide distributor specializing in the resale of personal computer hardware, I.T. Xchange will continue to provide customers with a high level of service and support while achieving solid revenue growth.

IT Xchange's customers will continue to benefit from:

- I.T. Xchange's substantial inventory of new, constrained, discontinued, and refurbished computer products
- I.T. Xchange's extensive relationship with IBM, particularly the IBM Options Continuation Program: www.pc.ibm.com/ww/ocp
