

FOR IMMEDIATE RELEASE:

I.T. XCHANGE EXPANDS SENIOR MANAGEMENT TEAM

Raleigh, NC, November 8, 2005 – I.T. Xchange LLC, a leading distributor of secondary market personal computer products, announced today that they have added Steve Sahd as Vice-President, Sales for Latin America & Asia Pacific. Sahd, a 27-year veteran at IBM joins I.T. Xchange as part of a new IBM initiative entitled “Skills For Growth”. This program allows employees to take a leave of absence for a period of time to work with IBM Business Partners. Prior to I.T. Xchange, Sahd’s role at IBM was managing the IBM Global Finance GARS sales team for the US for Surplus and Factory Refurbished PC and Server products. Prior to that Sahd was IBM’s Remarketing Manager for all of Latin America from their headquarters in New York.

“I am really excited about this opportunity to grow I.T. Xchange’s business in Latin America and Asia Pacific, mentioned Sahd. “Having significant experience in this space, I view I.T. Xchange as the premier company to support IBM and Lenovo customer requirements, especially through the Options Continuation Program, which we offer worldwide.”

According to I.T. Xchange’s President and CEO, Jeff McFarlane, “The addition of Steve Sahd to our Execution Management team gives I.T. Xchange a huge asset in our growth plans for Latin America and A/P. Steve’s experience with IBM Global Finance Gars will enable I.T. Xchange to secure the depth and breadth of product line our customers demand in the fastest growing global market segment.”

As a leading worldwide distributor specializing in the resale of personal computer hardware, I.T. Xchange will continue to provide customers with a high level of service and support while achieving solid revenue growth.

IT Xchange’s customers will continue to benefit from:

- I.T. Xchange’s substantial inventory of new, constrained, discontinued, and refurbished computer products
- I.T. Xchange’s extensive relationship with IBM and Lenovo, particularly the Options Continuation Program: www.pc.ibm.com/ww/ocp
