

FOR IMMEDIATE RELEASE:

New Links For Options Continuation Program – IBM/LENOVO

Raleigh, NC, November 1, 2005 – I.T. Xchange LLC, a leading distributor of secondary market personal computer products, announced today that IBM & Lenovo have created separate links on their web sites to promote the Options Continuation Program (OCP). Both IBM & Lenovo are continuing to work on their internal pages and have asked for I.T. Xchange's input on how and where they should be strategically placed on their sites.

The two sites include:

IBM Global BP For Withdrawn xSeries, Netfinity & TotalStorage Options:
<http://www-03.ibm.com/servers/eserver/xseries/options/continuation.html>

Lenovo Global BP For Withdrawn Desktop & Mobile Options:
<http://www.pc.ibm.com/ww/ocp>

According to I.T. Xchange's President and CEO, Jeff McFarlane, "The creation of separate links from the IBM and Lenovo sites strengthens I.T. Xchange's business partnership. IBM and Lenovo are committed to promoting I.T. Xchange & OCP, creating awareness amongst our business partners for withdrawn IBM and Lenovo computer hardware and options."

As a leading worldwide distributor specializing in the resale of personal computer hardware, I.T. Xchange will continue to provide customers with a high level of service and support while achieving solid revenue growth.

IT Xchange's customers will continue to benefit from:

- I.T. Xchange's substantial inventory of new, constrained, discontinued, and refurbished computer products
- I.T. Xchange's four global distribution centres to ship product including Canada, United States, Scotland and China.

ABOUT I.T. XCHANGE

I.T. Xchange is an international distributor of personal computer and server technology, with offices in Canada, the United States, Scotland, Barbados and China. I.T. Xchange works with a broad network of domestic and international clients, providing customers with name brand and cost-effective products. This allows organizations to maintain their standard platforms for extended periods of time (Platform Maintenance) or to acquire technology appropriately matched to their applications (Appropriate Technology). For more information please contact Jeff McFarlane, President, CEO at (905) 829-5333 or visit our web site at www.itxchange.com
